## This August!

**20% OFF** Brown Wave Slab Material

A beautiful earth toned sandstone, Brown Wave, is unique with natural texture and seams running throughout the stone. Visit our Plymouth and Stillwater masonry and stone selection centers and yards to see the Brown Wave slabs in person. Due to the properties of natural stone, no two pieces are alike and our team at Hedberg is here to help you get the exact piece you are looking for. Promo CODE 321
