

Stone Fabricator  
Hedberg Supply – Plymouth Location  
1205 Nathan Lane North  
Plymouth, MN 55441

Hedberg Supply is searching for a Stone Fabricator to work at our Plymouth location. Duties include but not limited to saw set up, cutting stone to dimensions, finishing work, material handling, and quality control. Experience is preferred but not required, training is available.

We're looking for a self-motivated individual who possesses an attention to detail, strong mathematical skills and takes pride in delivering the best finished product to our customers.

Minimum qualifications: High school diploma or equivalent; experience in warehouse and/or fabrication a plus; ability to work in a faced paced environment and to multi-task while working safely; use of forklifts (we will train and certify)

Preferred qualifications: 2 years of stone fabrication and use of wet saws; A-Cad experience a plus

Working conditions: this position works in both indoor and outdoor environments including very hot and very cold temperatures, and requires the ability to lift to 75 pounds on a regular basis; weekend work will be required

Hedberg provides safety equipment including steel toe boots, safety glasses, vests, and hearing protection. A pre-employment physical will be required.

If you meet these qualifications and would like to work with a great team, please submit your resume to our Penny Gomez in our Human Resources Department at [pgomez@hedbergsupply.com](mailto:pgomez@hedbergsupply.com)
